Authentication endpoints

Login

Endpoint: **/auth/login/**
Request type: **POST**
Permission required: **None**
Throttle rate: **6/minute**
Query params: **None**
Json params: **username, password**
Return values: **access_token**
Return codes: **200, 400, 500**
Cookie set: **refresh_token**
Cookie unset: **None**

Logout

Endpoint: **/auth/logout/**
Request type: **POST**
Permission required: **User**
Throttle rate: **6/minute**
Query params: **None**
Json params: **None**
Return values: **None**
Return codes: **200, 400, 500**
Cookie set: **None**
Cookie unset: **refresh_token**

Refresh token

Endpoint: **/auth/refresh/**
Request type: **POST**
Permission required: **None**
Throttle rate: **6/minute**
Query params: **None**
Json params: **None**

Return values: **access_token**
Return codes: **200, 400, 500**
Cookie set: **None**
Cookie unset: **None**

OAuth2 endpoints

Intra get url

Endpoint: **/oauth2/intra/url/**
Request type: **GET**
Permission required: **None**
Throttle rate: **60/minute**
Query params: **None**
Json params: **None**
Return values: **url**
Return codes: **200, 500**
Cookie set: **state_token**
Cookie unset: **None**

Intra redirect

Endpoint: **/oauth2/intra/callback/**
Request type: **GET**
Permission required: **None**
Throttle rate: **20/minute**
Query params: **code, state**
Json params: **None**
Return values: **None**
Return codes: **200, 403, 500**
Cookie set: **api_token**
Cookie unset: **state_token**

Intra login

Endpoint: **/oauth2/intra/login/**
Request type: **POST**
Permission required: **None**
Throttle rate: **6/minute**
Query params: **None**
Json params: **None**
Return values: **access_token**
Return codes: **200, 400, 500**
Cookie set: **refresh_token**
Cookie unset: **api_token**

Intra link

Endpoint: **/oauth2/intra/link/**
Request type: **POST**
Permission required: **User**
Throttle rate: **6/minute**
Query params: **None**
Json params: **None**

Return values: **None**

Return codes: **200, 400, 500**

Cookie set: **None**

Cookie unset: **api_token**
